## New Library Benefits for Friends Members

The Friends of the Gatesville Public Library group is a 501c3 organization that was formed in 1961 by a group of citizens who

Library Friends are GREAT!

believed  
 "A good public library is important to the cultural growth and

They have provided countless volunteer hours, purchased books, computers, our die press that is available for public use, a 3-D printer, and a new circulation system. The Friends also sponsor our Summer Reading program and many other programs for children and adults throughout the year.

With your annually paid Friends membership you will receive the following benefits:
